MEDIA RELEASE

27 May 2022

MODIFIED ELECTRONIC FILING TAX RELIEF PROGRAMME

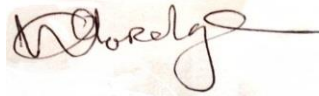

The Namibia Revenue Agency (NamRA) hereby announces that the Modified Electronic Filing Tax Relief Programme (the Programme), as indicated by the Minister of Finance Honourable Ipumbu Shiimi during his 2022/2023 National Budget address in February 2022, will commence on Wednesday 1 June 2022.

The Programme provides relief to taxpayers with outstanding tax debts. To benefit, taxpayers must register on the Integrated Tax Administration System (ITAS) Portal and file their tax returns electronically.

If the capital tax debt is settled between 1 June 2022 and 30 November 2022, then 70 percent of the accrued interest will be written off and all penalties (100 percent) will be waived. From 1 December 2022 to 31 May 2023, 60 percent of interest will be reversed while all penalties will be written off, on payment of the capital tax debt.

NamRA therefore encourages taxpayers with outstanding tax debts to participate in the Modified Electronic Filing Tax Relief Programme and settle their tax debts. The Programme ends on 31 May 2023. Taxpayers need to login their ITAS Portal Account at www.itas.namra.org.na.
