RETURNS DUPLICATION ISSUE IN INTEGRATED TAX ADMINISTRATION SYSTEM (ITAS)

The Namibia Revenue Agency (NamRA) hereby informs the public that it has detected the return duplication in the Integrated Tax Administration System (ITAS) for some taxpayers.

The duplication was discovered on Monday 2 February 2026 and our technical team is working on resolving this matter. We therefore advise taxpayers not to submit any outstanding duplicated returns while the issue is being addressed.

Please be assured that affected taxpayers will not be prevented from obtaining Tax Good Standing or Tax Clearance Certificate, provided that their tax affairs are otherwise compliant.

NamRA regrets any inconvenience caused in this regard. For any enquiries, please contact Johannes Amutenya via email to johannes.amutenya@namra.org.na.
