

*Uplifting the livelihood of every Namibian
through Tax and Customs Compliance*

Recognizing taxpayers and traders in various categories who are found to be compliant during the assessment period between **1 January 2022** and **31 December 2022**.

Here are quick tips to remember:

- Ensure that your tax affairs are in order by **31 December 2022**.
- Registration on the Integrated Tax Administration System (ITAS) portal is mandatory.
- Taxpayers with outstanding debts can take part in the Modified Electronic Tax Filing Relief Program, to clear their debts.
- Traders are encouraged to participate in the Authorized Economic Operator Program facilitated by the Customs and Excise Department.
- Possible further criteria for traders to be confirmed in due course.

Keep watching our platforms for all the information related information regarding the 2023 Taxpayer/Trader Appreciation Day.
